

FRESNO COUNTY CHAPTER

Unit 36 JJC Division VOTE ON SWAPS PASSES!

**Fresno County SEIU members are back
and winning for our community!**

We won back the SWAPs for Supervising Juvenile Correctional Officers that were taken away when we didn't have a contract. During a contract reopener, members pushed for this quality of life issue and the County agreed. The freedom to trade shifts allows members to trade shifts and make sure that there's no empty chair at birthday parties, school events and family gatherings. This kind of flexibility raises morale and helps reduce the turnover rate in a job that can take a huge toll on people who protect our community while trying to help troubled kids so they don't become lifelong offenders.

Unless we unite, fight, and win together, even very basic benefits can be taken away by management and their lawyers who are looking to exploit any loophole in labor law.

This win is just the beginning for us, and as we build strength and increase membership, we will continue to #UniteFightWin for Fresno County.
