b) In Home Support Services (IHSS)

This section supersedes Appendix G Sections 9.65(a), 9.65(c), and 9.65(d) of the current Memorandum of Agreement (MOA) between the County and SEIU Local 521.

These work completion standards shall only apply prospectively, and nothing should be construed to limit the County's ability to assign any number of assessments to Case Management Social Workers, in its sole discretion, with the understanding that Case Management Social Workers are only expected to complete the number of assessments as calculated per month under the provisions of this section. This is to clarify the amount number of cases assigned versus the assessments being performed.

Definitions for Purposes of this Section:

1. An "assessment" shall be defined as any of the following types of visits and assessments performed by a Social Worker: intake, reassessment, courtesy, or expedited visit.
2. Annual and/or year shall be defined as ~~June 1, 2019 – May 31, 2020, and each June 1 - May 31. thereafter.~~
3. A full-time schedule shall be defined as forty (40) work hours per week.
4. ~~Consecutive days of paid scheduled leave is defined as work days uninterrupted by a return to work. It includes weekends and County holidays, such as, Friday, Monday, and Tuesday; or, Thursday, Friday, and a County holiday on Monday. Weekends are not counted as one of the three days, but County holidays are. With respect to 4/10 schedules, if a Social Worker's day off is Wednesday, three consecutive days of scheduled leave includes Wednesday for determining whether the days off are consecutive, but is not counted as one of the three days (e.g. Mon-Thursday is considered three consecutive days off).~~

5. ~~One work week of consecutive paid scheduled leave is defined as forty (40) hours, including County holidays. For example, Thanksgiving week, if a Social Worker takes Monday, Tuesday, and Wednesday off and Thursday and Friday are County holidays, this will constitute as one work week of consecutive paid scheduled leave and result in a reduction in the Social Worker's monthly assessment expectation.~~
4. An individual Social Worker's "monthly assessments expectation" is the number of assessments the Social Worker is expected to complete each month. To calculate a Social Worker's monthly assessments expectation, the standard ~~twenty seven (27)~~ forty-five (45) assessments per month expectation for a Social Worker III is reduced if the Social Worker is a Social Worker I (paragraph 3 below); Social Worker Lead (paragraph 2 below); and/or Certified Bilingual Social Worker (paragraph 4 below) as specified below.

Monthly Assessment Expectations and Assessment Reductions:

1. Case Management Social Worker III's, II's and I's shall be assigned the same type of assessments. Social Worker III's shall complete five-hundred and forty (540) assessments per year at a rate of forty-seven (45) assessments per month.
- 1.2. Case Management Social Workers- Social Worker II's shall receive a twenty percent (20%) reduction of the SWIII annual assessment expectation such that they shall complete three hundred twenty four (324) four hundred and thirty two total assessments per year and shall complete these at a rate of thirty-six (36) twenty seven (27) assessments per month.
- 2.3. Social Worker I's shall receive twenty percent (20%) reduction in his or her of the SWII annual assessments expectation, such that they shall complete three - hundred and forty-five (345) two hundred fifty nine (259) assessments per year twenty two (22) at a rate of twenty nine (29) assessments per month. Social Worker I's shall be assigned the same type of assessments as Social Worker II's.

~~Social Worker Leads shall receive a 10% reduction in his or her annual assessments expectation, such that they shall complete two hundred ninety two (292) assessments per year, twenty four assessments (24) per month.~~

~~Social Worker I's shall receive a 20% reduction in his or her annual assessments expectation, such that they shall complete two hundred fifty nine (259) assessments per year, twenty two (22) assessments per month. Social Worker I's shall be assigned the same type of assessments as Social Worker II's.~~

- 3-4. When one hundred percent (100%) of the monthly assessments assigned to a Certified-Bilingual Social Workers are assessments in their certified language, the SW shall receive a twelve percent (12%) reduction in his or her their monthly assessments expectation. The bi-lingual reduction shall be in addition to assessment reductions described above that the worker may also be eligible for, for any month where 100% of the cases carried are in their certified language. The

calculation of one hundred percent (100%) will be month-to-month based on cases carried at the beginning of each month. Formula to calculate reduction: $(27 - (27 \times 12\%)) = 24$.

5. One (1) case credit shall be given when a Social Worker completes an assessment, regardless of whether or not the applicant receives services.
4. ~~If a Social Worker takes between three (3) and four (4) consecutive days of paid scheduled leave in any given month, or if a Social Worker Works Out of Class (WOOC) the same amount of consecutive time, his or her monthly assessments expectation shall be reduced at a rate of 1.35 assessments per consecutive day off (i.e., each day after the first day of leave or after the first day of WOOC). Unscheduled leave, scheduled leave of less than three days, intermittent leave, or nonconsecutive days of WOOC, shall not result in any reduction of monthly assessments expectation. This 1.35 rate reduction applies regardless of the number of days or weeks in any given month.~~

TA deletion of 9.7(d & e)); paragraphs 6, 7, 8, 9, 10, & 11, below and grammatical change in paragraph 12; in alignment with 6/20/23 UP

5. ~~If a Social Worker takes one (1) work week of consecutive paid scheduled leave (or consecutive paid scheduled leave or WOOC totaling 40 to 79 hours) in any given month, he or she shall receive a twenty five percent (25%) reduction to his or her monthly assessments expectations.~~
6. ~~If a Social Worker takes two (2) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 80 and 119 hours) in any given month, he or she shall receive a fifty percent (50%) reduction of his or her monthly assessments expectation.~~
7. ~~If a Social Worker takes three (3) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 120 and 159 hours) in any given month, he or she shall receive a seventy five percent (75%) reduction of his or her monthly assessments expectation will be reduced.~~
8. ~~If a Social Worker takes four (4) consecutive weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC 160 hours or more) in any given month, he or she shall receive a one hundred percent (100%) reduction in his or her monthly assessments expectation.~~
9. ~~Workload reductions for scheduled absences, in a work week that is split between two months, workload credit reductions will be given in the month that has the majority of the consecutive days off. For example, when a work week is split like the following, Thursday 29th, Friday 30th, Monday, 31st, Tuesday 1st, and Wednesday 2nd, and a Social Worker takes off Thursday, Friday and Monday, the workload credit reduction will be applied to the first month. If the Social Worker~~

~~takes off Monday, Tuesday, and Wednesday, the workload credit reduction will be applied to the second month.~~

~~10. Workload reductions for unscheduled absences of three (3) consecutive days or greater will be reviewed by management on a case by case basis. Management's decision to grant or deny a workload reduction cannot be grieved.~~

~~11.4. _____ Monolingual Social Workers assigned a non-English speaking case, and Certified Bilingual Social Workers assigned a case that is not English or not nor in the Social Worker's certified language, that requires the use of an interpreter, will receive a weight of 1.3 for that assessment, which will be applied in determining whether the Social Worker met his or her monthly assessments expectations.~~

County Response: withdraw proposal; Recommend TA

If the County's fiscal year compliance rate for IHSS assessments drops below the State's compliance expectation of eighty percent (80%) the parties shall hold workload reviews to discuss and strategize temporary modifications to the workload expectations to achieve the State's compliance expectation.

Section 12.3 – Procedural Compliance

Union grievances shall comply with all foregoing provisions and procedures. The County shall not be required to reconsider a grievance previously settled with a worker if renewed by the Union, unless it is alleged that such grievance settlement is in violation of an existing rule, ordinance, memorandum of understanding, or memorandum of agreement.

Section 12.4 – Informal Resolution/Time Limits

It is agreed that workers will be encouraged to act promptly through informal discussion with their immediate supervisor on any act, condition or circumstance which is causing worker dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance. Time limits may be extended or waived only by written agreement of the parties. If either party fails to comply with the grievance time limits, and the matter proceeds to arbitration, the party who missed the time limits as determined by arbitrator shall pay the full costs of the arbitrator.

Section 12.5 – Formal Grievance

The County and the Union Recognize the early settlement of grievances is essential to sound employee-employer relations. The parties seek to establish a mutually satisfactory method for the settlement of grievances of employees, the Union or the County. In presenting a grievance, the aggrieved and/or his/her representative is assured freedom from restraint, interference, coercion, discrimination, or reprisal.

a) Step One

Within twenty (20) working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing to the person designated by the appointing authority. A copy of the grievance shall be sent to Labor Relations and this copy shall dictate time limits. The grievance form shall contain information which identifies:

1. The aggrieved;
2. The specific nature of the grievance;
3. The time or place of its occurrence;
4. The rule, law, regulation, or policy alleged to have been violated, improperly interpreted, applied or misapplied;
5. The consideration given or steps taken to secure informal resolution;
6. The corrective action desired; and,
7. The name of any person or representative chosen by the worker to enter the grievance.

A decision shall be made in writing within twenty (20) working days of receipt of the grievance. A copy of the decision shall be directed to the person identified in (7) above.

d) Step Two

If the aggrieved continues to be dissatisfied, ~~he/she~~they may, within fifteen (15) working days after receipt of the first step decision, present a written presentation to be directed to the County Executive's designated representative indicating the aggrieved wishes the (1) County Executive's designated representative to review

and decide the merits of the case or whether (2) the aggrieved wishes the grievance to be referred to an impartial arbitrator. The County and the Union agree to use the same arbitrators listed in Section 19.6. d. of the Master Agreement.

Members of this arbitration panel shall be advised of and agree to the following provisions:

1. Within fifteen (15) working days of receipt of the grievance at step two, one (1) arbitrator shall be selected from the panel and a hearing scheduled within thirty (30) calendar days.
- 2.
3. Arbitration proceedings shall be recorded but not transcribed except at the request of either party or the arbitrator. Upon mutual agreement, the County and the Union may submit written briefs to the arbitrator for decision in lieu of a hearing.

The parties may mutually agree to use an arbitrator not on the list or to add to or modify the list. The arbitrator's compensation and expenses shall be borne equally by the worker or the Union and the County, provided worker grievances shall be arbitrable only at the expressed request of the worker involved, and with the concurrence of the Union, unless the grievance is deemed a Union or group grievance prior to submission to step two. Decisions of the arbitrator shall be final and binding.

e) Pre-Arbitration Meeting (Stipulation and Arbitrator Selection)

For the purposes of this section, Article 19.6 (c [& d](#)) and [Article 19.7](#) of the Master Agreement shall apply.

Section 12.6 – Arbitration Release Time

The following statement on worker participation in grievance arbitration hearings is agreed to:

- a) The worker on whose behalf the grievance has been filed will be granted release time for the entire hearing. Release time to serve as a witness will be granted on a scheduled basis, i.e., when the worker is scheduled to appear. In the case of a group grievance, release time will be granted for the designated spokesperson for the entire hearing. Release time also will be granted to the appropriate Chief Steward.
- b) Other requests for leave for the purpose of participation in a grievance arbitration hearing will also be granted and charged to the worker's own leave time provided the absence does not unduly interfere with the performance of service.

SIDE LETTER AGREEMENT BETWEEN
Santa Clara County and SEIU 521
DEBS CalSAWS Pilot Overview

Following the state mandated implementation of CalSAWS and recent changes in state law, DEBS is preparing to formally reassess our workflows and review our existing operational structure/s by way of a pilot study. DEBS leadership desires a collaborative process that benefits from input and ideas from representatives across all DEBS classifications and work areas.

The guiding principles of this pilot are to ensure DEBS operates in a manner that best services the needs of families and individuals in our community who require benefits; to ensure that staff throughout DEBS have an appropriate and sustainable workload; to efficiently use our resources so we can maximize service to the community; and to most effectively utilize the CalSAWS technology required by the state. The goal of this pilot is to examine the effectiveness of our current operational model/s, investigate alternate operational model/s, and at the end of the pilot, to implement the model/s that best advance our guiding principles. The pilot will progress in a two-phase process: the Pilot Design Phase followed by the Pilot Test Phase.

Pilot Design Phase

During the Design Phase a pilot design team and/or workgroups will be established to design and propose potential business operations model(s) for effective client service delivery under the CalSAWS structure. The design workgroups will consist of subject matter experts from different DEBS groups, which may include but is not limited to:

- Executives
- Managers
- Supervisors
- Intake Eligibility Workers
- Continuing Eligibility Workers
- Employment Counselors
- Clerical Workers
- Program

SEIU and Labor Relations will be included as necessary in the process of defining the parameters of the pilot design and/or workgroups or committees. The design phase shall begin no later than forty-five (45) calendar days following ratification of the successor MOA to the 3/9/2020-6/25/2023 MOA and will continue for up to nine (9) months. The design team and committees will finalize criteria including the test pilot parameters, benchmarks, and testing timeframes. The design phase will conclude when the business model/s to test have been determined and written policies and procedures for the Pilot Test Phase have been generated. At the conclusion of the Pilot Design Phase, the Pilot Test Phase will commence.

Pilot Test Phase

The Pilot Test Phase will involve defined group/s of Intake and Continuing Eligibility Workers and Supervisor/Management teams, as determined in the design phase, implementing the proposed operational model/s for a set period of time. During the test phase there will be regular check-ins, which will include iterative fine tuning, gathering data, and recognizing best practices and lessons learned. The test phase will continue for up to one (1) year.

At the conclusion of the test phase, the DEBS business operational model/s, as determined through this pilot, will be documented and implemented. To properly document the DEBS operational model/s implemented at the conclusion of this pilot, either the County or SEIU shall be permitted a limited reopener of SSU Appendix G Article G.9 Section 9.7(a & b) and any other sections of Appendix G that are directly impacted by the results of this pilot study.

This Side Letter shall sunset on the expiration date of the successor MOA to the 3/9/2020-6/25/2023 MOA; this side letter shall then be removed and not included in a future MOA.

~~SIDE-LETTER AGREEMENT BETWEEN SEIU LOCAL 521
DEPARTMENT OF AGING AND ADULT SERVICES
IN HOME SUPPORTIVE SERVICES AND
COUNTY OF SANTA CLARA 04/11/19~~

~~The County and the Union have agreed to a side letter to address work completion issues specific to Caseload Social Workers working in In Home Supportive Services (IHSS). This side letter supersedes Appendix G Sections 9.6(a), 9.6(c), and 9.6(d) of the current Memorandum of Agreement (MOA) between the County and SEIU Local 521. The County and Union also agree that this side letter satisfies the obligations set forth in the decision of Arbitrator Riker. This side letter will sunset upon ratification of the successor agreement in the MOA. These work completion standards shall only apply prospectively, from the effective date of this side letter. Nothing in this side letter should be construed to limit the County's ability to assign any number of assessments to Case Management Social Workers, in its sole discretion, with the understanding that Case Management Social Workers are only expected to complete the number of assessments as calculated per month under the provisions of this side letter. This is to clarify the amount of cases assigned versus the assessments being performed.~~

- ~~1. An "assessment" shall be defined as any of the following types of visits and assessments performed by a Social Worker: intake, reassessment, courtesy, or expedited visit.~~
- ~~2. Annual and/or year shall be defined as June 1, 2019 – May 31, 2020, and each June 1 – May 31 thereafter.~~
- ~~3. A full-time schedule shall be defined as forty (40) work hours per week.~~
- ~~4. Consecutive days of paid scheduled leave is defined as work days uninterrupted by a return to work. It includes weekends and County holidays, such as, Friday, Monday, and Tuesday; or, Thursday, Friday, and a County holiday on Monday. Weekends are not counted as one of the three days, but County holidays are. With respect to 4/10 schedules, if a Social Worker's day off is Wednesday, three consecutive days of scheduled leave includes Wednesday for determining whether the days off are consecutive, but is not counted as one of the three days (e.g. Mon-Thursday is considered three consecutive days off).~~
- ~~5. One work week of consecutive paid scheduled leave is defined as forty (40) hours, including County holidays. For example, Thanksgiving week, if a Social Worker takes Monday, Tuesday, and Wednesday off and Thursday and Friday are County holidays, this will constitute as one work week of consecutive paid scheduled leave and result in a reduction in the Social Worker's monthly assessment expectation.~~
- ~~6. An individual Social Worker's "monthly assessments expectation" is the number of assessments the Social Worker is expected to complete each month. To calculate a~~

Social Worker's monthly assessments expectation, the standard twenty-seven (27) assessments per month expectation is reduced if the Social Worker is a Social Worker I (paragraph 3 below); Social Worker Lead (paragraph 2 below); and/or Certified Bilingual Social Worker (paragraph 4 below).

Monthly Assessments Expectation and Assessment Reductions:

1. ~~Case Management Social Workers shall complete three hundred twenty-four (324) total assessments per year and shall complete these at a rate of twenty-seven (27) assessments per month.~~
2. ~~Social Worker Leads shall receive a 10% reduction in his or her annual assessments expectation, such that they shall complete two hundred ninety-two (292) assessments per year, twenty-four assessments (24) per month.~~
3. ~~Social Worker I's shall receive a 20% reduction in his or her annual assessments expectation, such that they shall complete two hundred fifty-nine (259) assessments per year, twenty-two (22) assessments per month. Social Worker I's shall be assigned the same type of assessments as Social Worker II's.~~
4. ~~Certified Bilingual Social Workers shall receive a 12% reduction in his or her monthly assessments expectation for any month where 100% of the cases carried are in their certified language. The calculation of 100% will be month to month based on cases carried at the beginning of each month. Formula to calculate reduction: $(27 - (27 \times 12\%)) = 24$.~~
5. ~~If a Social Worker takes between three (3) and four (4) consecutive days of paid scheduled leave in any given month, or if a Social Worker Works Out of Class (WOOC) the same amount of consecutive time, his or her monthly assessments expectation shall be reduced at a rate of 1.35 assessments per consecutive day off (i.e., each day after the first day of leave or after the first day of WOOC). Unscheduled leave, scheduled leave of less than three days, intermittent leave, or nonconsecutive days of WOOC, shall not result in any reduction of monthly assessments expectation. This 1.35 rate reduction applies regardless of the number of days or weeks in any given month.~~
6. ~~If a Social Worker takes one (1) work week of consecutive paid scheduled leave (or consecutive paid scheduled leave or WOOC totaling 40 to 79 hours) in any given month, he or she shall receive a twenty-five percent (25%) reduction to his or her monthly assessments expectations.~~
7. ~~If a Social Worker takes two (2) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 80 and 119 hours) in any given month, he or she shall receive a fifty percent (50%) reduction of his or her monthly assessments expectation.~~
8. ~~If a Social Worker takes three (3) consecutive work weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOC between 120 and 159 hours) in~~

~~any given month, he or she shall receive a seventy five percent (75%) reduction of his or her monthly assessments expectation will be reduced.~~

~~9. If a Social Worker takes four (4) consecutive weeks of paid scheduled leave (or consecutive paid scheduled leave or WOOO 160 hours or more) in any given month, he or she shall receive a one hundred percent (100%) reduction in his or her monthly assessments expectation.~~

~~10. Workload reductions for scheduled absences, in a work week that is split between two months, workload credit reductions will be given in the month that has the majority of the consecutive days off. For example, when a work week is split like the following, Thursday 29th, Friday 30th, Monday, 31st, Tuesday 1st, and Wednesday 2nd, and a Social Worker takes off Thursday, Friday and Monday, the workload credit reduction will be applied to the first month. If the Social Worker takes off Monday, Tuesday, and Wednesday, the workload credit reduction will be applied to the second month.~~

~~11. Workload reductions for unscheduled absences of three (3) consecutive days or greater will be reviewed by management on a case by case basis. Management's decision to grant or deny a workload reduction cannot be grieved.~~

~~12. Monolingual Social Workers assigned a non-English speaking case, and Certified Bilingual Social Workers assigned a case that is not English or not in the Social Worker's certified language, that requires the use of an interpreter, will receive a weight of 1.3 for that assessment, which will be applied in determining whether the Social Worker met his or her monthly assessments expectations.~~

~~13. If the County's fiscal year compliance rate for IHSS assessments drops below the State's compliance expectation of eighty percent (80%), the parties shall hold workload reviews to discuss and strategize temporary modifications to the workload expectations to achieve the State's compliance expectation.~~
